Attorneys for Defendant

BROWN, Judge.

Magistrate Judge John Jelderks issued Findings and Recommendation (#26) on August 29, 2012, in which he recommends the Court affirm the Commissioner's decision denying Plaintiff's application for disability insurance benefits and supplemental security income. Plaintiff filed timely Objections to the Findings and Recommendation. The matter is now before this Court pursuant to 28 U.S.C. § 636(b)(1) and Federal Rule of Civil Procedure 72(b).

When any party objects to any portion of the Magistrate Judge's Findings and Recommendation, the district court must make a *de novo* determination of that portion of the Magistrate Judge's report. 28 U.S.C. § 636(b)(1). See also *United States v. Reyna-Tapia*, 328 F.3d 1114, 1121 (9<sup>th</sup> Cir. 2003) (en banc).

This Court has reviewed the record *de novo*, including Plaintiff's Objections. In her Objections, Plaintiff reiterates the arguments she previously made, each of which the Magistrate Judge thoroughly addressed in his Findings and Recommendation.

The Court concludes Plaintiff has not provided a basis to modify or to alter the Magistrate Judge's Findings and Recommendation as to any of the issues addressed herein or to remand this matter to the Commissioner for further development of the record.

CONCLUSION

The Court **ADOPTS** Magistrate Judge Jelderks's Findings and Recommendation (#26). Accordingly, the Court **AFFIRMS** the Commissioner's decision and **DISMISSES** this matter.

IT IS SO ORDERED.

DATED this 9th day of October, 2012.
